RICHMOND PLAINS
ORGANIC & BIODYNAMIC WINES

The Nelson ARK is a Charitable Trust founded in 2002. The ARK rescues unwanted and abused dogs and pairs them with young people who are perhaps losing their way. This combination has proven to be truly transformative for the lives of both the young people and the rescued dogs and has repercussions throughout the entire community. wwwthenelsonark.co.nz

Richmond Plains is an organic wine making pioneer producing New Zealand's first Sauvignon Blanc, Pinot Noir and Blanc de Noir from certified organic and biodynamic grapes. Established in 1991, it is a very small family vineyard owned by dog lovers Lars and Sam Jensen who believe in making great wines by working with nature in the vineyard environment. www.richmondplains.co.nz

Bursting with flavours of gooseberry, green apple and lime, our Sauvignon Blanc is delicious as an aperitif and complements a wide range of dishes. ★★★★ 4 Stars Michael Cooper.
